

How-To Make A Time Capsule!

What you'll need:

- ♥ A box with a lid or a glass jar with a lid
- ♥ Scissors
- ♥ Items to put in your time capsule
- ♥ Glue or Tape
- ♥ Stickers, markers, paint...anything you want to use to decorate!

What to do:

- ♥ Pick items for your time capsule! You'll want things that will tell your future self about what was going on in your life today.

- ★ Items about yourself

- (journal, toy, favorite music, a letter to your future self)

- ★ Items about your family

- (photo, write out a recent family memory)

- ★ Items from your community

- (map of your city, ticket stubs, sports memorabilia)

- ★ Items from today

- (newspaper, top music artists, movies, etc.)

- ♥ Time to decorate your time capsule! Add paint, stickers, and whatever else you'd like!
- ♥ Pick a date when to open your time capsule. Make sure it's far, far away in the future!
- ♥ Option: Hide your time capsule somewhere in your house. Make a map to make its spot!
